Section 1. Short Title
Community Based Monitoring Act
Section 2. Declaration of Policy

a) provide adequate social services, raise the standard of living, promote full employment and improve the quality of life,

b) CBMS to generate updated and disaggregated data necessary in targeting beneficiaries, conducting more comprehensive poverty analysis and needs prioritization, designing appropriate policies and interventions, and monitoring impact over time and

c) respect the right to privacy and ensure data
Section 3. Definition of Terms

CBMS & Geo-Tagging
Section 4. Data Collection

CBMS is established and instituted in every city and municipality as an economic and social tool towards the formulation and implementation of poverty alleviation and development programs. Each city and municipality is the primary data collecting authority within its locality. For this purpose, the LGU will assign a statistician for data collection, preservation and safekeeping of the data. PSA shall create additional positions for statisticians at the provincial level to monitor & manage the enumeration activities.
Section 5. Periodicity of Data Collection

Regular and synchronized data collection shall be conducted by every city and municipality every three (3) years. LGU shall receive financial and technical assistance from NGAs. LGUs & NGAs may provide for shorter data collection period depending on their needs.
Section 6. Lead Agency

The Philippine Statistics Authority (PSA) shall set standards, develop and review CBMS forms, capacitate the LGUs thru the Philippine Statistical Research and Training Institute and state colleges and universities, monitor data collection by LGUs, act as the national repository of all CBMS data including processing and generating statistics.
Section 7. Information Dissemination

DICT will develop institutional arrangements on data sharing, DILG provide updates on CBMS activities and PSA to submit annual accomplishment report to congress.
Section 8. Storage and Access of Data
LGUs are allowed to maintain their own CBMS database for local planning and program implementation. PSA shall store all aggregated data to create a national CBMS databank (ensure integrity and safety of data). Provinces shall have access to their local data.
Section 9. Prioritizing Social Protection Programs

NGAs shall use the CBMS in prioritizing timely, relevant and much-needed social protection programs specially in areas with the highest poverty incidence.
Section 10. Confidentiality of Information

The right to privacy of every respondent is inviolable. Participants are to be informed of the nature and extent of processing intended for such personal data. CBMS is purely voluntary and enumerator has the duty to ask respondents for an explicit waiver to authorize the LGUs to disclose their identity to government offices which provides social programs.
Section 11. Prioritization of Assistance
4th, 5th & 6th class cities and municipalities shall be given assistance in the first 3 years of implementation (manpower & devices). Higher class LGUs may be given assistance as well.
Section 12. Joint Congressional Oversight Committee

The committee shall set the overall framework to review the implementation of the Act.
Section 13. Appropriations

The amount needed for CBMS will be included in the GAA.
Section 14. CBMS Council
It shall be composed of the PSA, DILG, DICT and PSA. The council shall ensure secure and efficient data sharing agreements between and among LGUs and NGAs.
