The Sustainable Development Goals (SDGs), known as the Global Goals: 2030 Agenda for Sustainable Development

- a universal call to action to end poverty, protect the planet and ensure that all people enjoy peace and prosperity thru partnership
- set of 17 aspirational goals with 169 targets

Each goal has specific targets to be achieved over the next 15 years

For the goals to be reached, everyone needs to do their part: governments, the private sector, civil society and people like you.
Another Way to Look at SDGs – The Five Ps

- Promote health and safety
- Improve public morals
- Balanced ecology
- Scientific and technological capabilities
- Comfort and convenience of inhabitants
- Economic prosperity and social justice
- Full employment of residents
- Preservation and enrichment of culture
- Maintain peace and order

LGU Mandates under LGC of 1991 (RA 7160)
Sec 16: General Welfare
SDGs are eLGU Mandates

SDGs have targets directly related to responsibilities of local governments.

SDGs are global but achievement will depend on the capacity of LGUs.
Local Capacity Building Initiatives and Strategies for Localizing SDGs

- Alignment/Harmonization of National and Local Plans and Budgets
- Synchronizing Local Planning, Investment Programming, and Budgeting
- Strengthening Provincial Oversight
- Harnessing NG Support to Local Priorities
- Performance Assessment and Incentives

In all these interventions, CBMS, providing local level info is crucial.
Alignment/Harmonization of National and Local Plans

Executive Order 27 (Series of 2017)
- Mandates all government agencies and instrumentalities including local government units to implement the PDP”.
- Necessitate alignment and harmonization of local plans and investment programs with the PDP
Formulation of PDP Results Matrix
(DILG-NEDA JMC 2018-1, Nov 26, 2018)

✓ Ensure national-local convergence, complementation and harmonization of priorities
✓ Strengthen vertical linkages across the different levels of government in development planning and budgeting

Provincial Results Matrices (RMs)
• statement of results to be achieved (goals, outcomes, and outputs)
• corresponding indicators, baseline information, annual
• end-of plan targets
Localization of PDP and SDGs
(DILG-NEDA JMC 2018-1, Nov 26, 2018)

- Geographic-based planning and budgeting
- Exercise provincial oversight
- Province-city/municipality dialogue and interface
- Province, city and municipal database management system
