

Best Practices of CBMS Project in the Province of Batangas

March 21, 2012, SMX Convention Center, MOA

STATISTICAL RESEARCH AND TRAINING CENTER
(Sentro ng Pananaliksik at Pagsasanay sa Estadistika)

1. Sharing of resources among different agencies (SRTC thru UNDP, Provincial Government of Batangas and municipal/city governments) which led to raising of needed funds to finance the province-wide implementation of various CBMS activities
2. Conduct of various trainers' trainings that allowed the project team to assemble a pool of resource persons for the conduct of various capacity building activities for the project

3. Harnessing of the academic sector in the province in the provision of training facilities like computers and IT facilities for the conduct of various IT-based trainings for the project
4. Strong support provided by the Provincial Government of Batangas to the various municipal/city governments in the implementation of CBMS project at the local level

5. Institutionalization of CBMS modules in SRTC training program which provided the opportunities for local technical staff to further enhance their knowledge on CBMS

Thank You
