A number of common trends have emerged from the findings of PEP projects:

- Combining the entrepreneurship support programs (simultaneous access to financing, training, and government-affiliated team members)
- Improving entrepreneurs' interpersonal skills to increase SME revenues
- Supporting Education in Africa: Opportunities and challenges

**Peppered with**

- Increasing government spending or stopping the mine expansion will put Mongolia's fragile economic stability at risk.
- Either approach is damaging to both households and the public sector.
- In 2019, more than 20 PEP teams published their findings, including:
